## sustaining member organizations

The Audio Engineering Society recognizes with gratitude the financial support given by its sustaining members, which enables the work of the Society to be extended. Addresses and brief descriptions of the business activities of the sustaining members appear in the October issue of the Journal.

The Society invites applications for sustaining membership. Information may be obtained from the Chair, Sustaining Memberships Committee, Audio Engineering Society, 60 East 42nd St., Room 2520, New York, New York 10165-2520, USA, tel: 212-661-8528. Fax: 212-682-0477.
