CALL for PAPERS

AES 11th Regional Convention, 2003 Tokyo, Japan

Dates: 2003 July 7–9

Location: Science Museum, Chiyoda, Tokyo, Japan

The 11th Regional Convention committee invites you to submit technical papers for presentation at the 2003 July meeting in Tokyo, Japan. **By 2003 February 28** a proposed title, 60- to 120-word abstract (English), and 500- to 750-word précis of the paper should be submitted via Email to the papers chair (see below). The précis should describe the work performed, methods employed, conclusion(s), and significance of the paper. Title, abstract, and précis should follow the guidelines in Information for Authors at www.aes.org/journal/con_infoauth.html. Authors without Email and Internet access should contact the papers chair for hardcopy forms and instructions. Acceptance of papers will be determined by a review committee based on an assessment of the précis. A preprint manuscript will be a condition for acceptance of the paper for presentation at the convention. Abstracts of accepted papers will be published in the convention program. Please choose your wording carefully.
