

## **TENURE-TRACK AUDIO ARTS AND ACOUSTICS FACULTY**

### **Audio Arts and Sciences**

The Columbia College Chicago Department of Audio Arts and Acoustics is accepting applications for a tenure-track faculty position beginning ideally, spring semester 2009. The Department offers a comprehensive undergraduate education in audio design and production, audio for visual media, live sound reinforcement, and acoustics, supplemented by a strong Liberal Arts component.

The successful candidate will hold an advanced/terminal degree or commensurate professional experience in one or more of the following disciplines: audio production theory and practice, sound design or hearing and psychoacoustics, and a demonstrated record of teaching at the undergraduate level. Candidates must demonstrate a commitment to professional development in the area(s) of their expertise.

Candidates should possess substantial breadth and depth of knowledge and experience in their discipline, documented by a record of professional, artistic or scholarly activities. Recent graduates must demonstrate exceptional promise in lieu of extensive professional and teaching experience. Duties will include teaching, curriculum development, learning outcomes assessment, student advising, participation in college and departmental activities, and professional development.

Candidates are required to supply the search committee with a short cover letter detailing their qualifications, a current and complete curriculum vitae, and three references.

Columbia College Chicago is a diverse, open admissions, urban institution of over 12,000 undergraduate and graduate students emphasizing arts and communications in a liberal arts setting. The college encourages female, GLBT, disabled, international & minority classified individuals to apply for all positions. We offer a competitive salary & an excellent benefits package. The Department search committee will begin reviewing credentials October 1, 2008. No phone calls, please.
