

# Audio Engineering Society Technical Committee

## **Notice and DRAFT agenda (v2.0)** for the meeting of the Sound for Digital Cinema and Television (Formative)

To be held in conjunction with the upcoming AES 132nd Convention in Budapest, Hungary, May 4-7, 2013.

The meeting is scheduled to take place at the Fontana di Trevi Conference Centre.

Currently scheduled for Monday, May 6, 2013 at 3:00 PM

Please check the latest schedule at: <http://www.aes.org/events/134/calendar/calendar.cfm>

### **1. Introduction to group and attendees**

### **2. Amendments to and approval of agenda**

*Note that projects where there is no current proposal for revision or amendment, and where there is at least 12 months before any formal review is due, are listed in an annex to this agenda. Please let the chair know if you propose to discuss any projects in this annex.*

### **3. Approval of minutes from previous meeting**

### **4. Action Items from Last Meeting:**

- a. Ask TC to remove “formative” from our group title**
- b. Submit application for Standards Work on Calibration and Equalization of Sound Systems**

### **5. Documents for Reference and Discussion**

- a. Loudness Control in Cinemas**
- b. Immersive (3D) sound – demand by cinema owners for interchange**

### **6. Liaisons**

### **7. Date of Next Meeting**

- 
- Please make sure you sign the attendance sheet that will be circulated. This sheet shall be passed to the secretariat after the meeting and will be used to update the membership information for this group .
  - Please make sure that any documents contributed to the meeting are passed to the secretariat who will ensure they are posted to the appropriate Working Group document site .
